		Social Event				

Call for Abstracts

The presentation of innovative oncology pharmacy research is the cornerstone of the ECOP 2016 Conference, offering the opportunity to share important findings, showcase recent advances and updates in oncology pharmacy practice and to encourage collaboration and information sharing within the profession.

You are kindly invited to submit abstracts for inclusion in the scientific program as an oral or poster presentation.

Abstract submission procedure

Abstracts must be submitted online, from 24 August to 4 December 2015, via the ESOP website: <http://esop.li/ecop/abstract/index.php>

Please follow the instructions on the screen.

Please note:

- Submitting an abstract for ECOP 2016 does not constitute registration for the conference. Abstract presenters must register to attend ECOP 2016 by following the instructions for registration on the website <https://ecop2016.wordpress.com/registration/>

For questions regarding the on-line submission process, contact p.janssen@ecop2016.eu

Only abstracts submitted online can be accepted. Abstracts submitted on paper or by e-mail attachment will not be considered.

Registration Fees

<i>Deadline refers to both receipt of registration and payment</i>	<i>Early Rate Deadline 12 Febr. 2016</i>	<i>Regular Rate Deadline 2 May 2016</i>	<i>Late Rate Deadline From 3 May 2016</i>
Non-Member	450 EUR	560 EUR	690 EUR
Member of ESOP	345 EUR	460 EUR	590 EUR
Students*	225 EUR	285 EUR	360 EUR

* Confirmation of your university is required. All fees include local VAT

Accommodation

Hotel accommodation is available from 120 € - 190 € include local VAT.

Conference Dinner

The conference dinner offers a great opportunity to socialize and network in an informal setting. The dinner will take place in the evening of Friday, 20th May 2016 and has an additional charge of 15 EUR per person.

Transfer

We can offer you transfer: Airport Dubrovnik – Hotel – Airport Dubrovnik at a price of 40,00 EUR. If we have enough participants signed up for the transfer, we will organize it. If you want to sign up for the transfer, please write your flight details (flight number, arrival and departure time) and we will contact you in April 2016 for payment and confirmation.

Letter of Welcome

On behalf of the European Society of Oncology Pharmacy (ESOP) and the Organizing Committee, we warmly welcome you to the third European Conference of Oncology Pharmacy (ECOP), in the time-honored city of Dubrovnik, Croatia, in 2016.

The experiences of the last two meetings, 2012 in Budapest, Hungary and 2014 in Krakow, Poland, have reassured us of the importance of an exchange not only on a national but on an European level as well.

We are very thankful for the support our meetings have received by the EU Commission and were overwhelmed by the reception of the conferences by both participants and partners from pharmaceutical companies. We will strive not only to meet the success of the former conferences but to excel it, especially regarding the scientific level.

Close co-operation between oncology physicians and oncology pharmacists is essential for optimal patient care. ECOP 2016 offers a tremendous opportunity for exchange and debate between its over 3.000 members and colleagues and partners worldwide.

The primary focus of this unique European Conference is to promote the highest standards of pharmaceutical care in the management and support of patients with tumors. The latest advances in research, patient management and practice are being showcased in keynote lectures, scientific symposia and poster sessions in two distinct tracks, clinical and practical.

We know that a multi-professional, multidisciplinary approach in oncology will not only ensure economic use of resources but also significantly improve patient safety.

We would like to take this opportunity to invite you to the Opening Event held in the exhibition area of the Conference venue, providing you the opportunity to meet colleagues from around the world, to network in a convivial setting and forge new links for future collaboration.

Lastly, but by no means least, our host city will match the exciting promise of the Conference itself. Speakers, participants, guests and friends should make time to discover the wonderful city that is Dubrovnik with its wealth of historical buildings.

We trust that you will return from the Conference inspired by colleagues from around the world and that you will have made new friends and scientific contacts that will support you in your essential work.

We are delighted to be welcoming you to what promises to be a highly educational, collaborative and successful conference.

Yours,
Klaus Meier
President of ESOP

3rd European Conference of Oncology Pharmacy 19th - 21st May 2016 in Dubrovnik Croatia
