

ECCO 14 PRELIMINARY SCIENTIFIC PROGRAMME - BASIC SCIENCE/MEDICINE PROGRAMME

Monday 24 September 2007

Preliminary ECCO 14 Basic Science/Medicine programme (as of 15 August 2006)

For regular updates, kindly consult www.fecis.be

	Forum	Room 211/212	Room 110	Room 117	Room 115/116	Room 114	Room 113	Room 111	Room 118+119	Room 120+121	
08:00		Teaching Lect. Breast	Teaching Lect. Colorectal	Teaching Lect. Lung	Teaching Lect. RT	Teaching Lect. Urology	Teaching Lect. Head&Neck	P A T I E N T F O R U 	Teaching Lect. Drug development	Teaching Lect. TBD	
08:45		Targeted adjuvant therapy update	Locally advanced rectal cancer	Neoadjuvant chemo in operable NSCLC	Optimal palliative RT	Laparoscopic surgery	Standards of care for locally advanced		Molecular targets for chemoprevention		
09:00	Opening session										
10:30	Keynote science Keynote clinical										
10:45	Proffered Papers	Educ. Symp. New methods of staging in the era of molecular biology	Symposium Science Angiogenesis and vascular targeting	Proffered Papers	Proffered Papers	Educ. Symp CNS Managing CNS complications	Proffered Papers		Proffered Papers	Symposium Paediatric	Poster Session 1 09:00-12:00
12:15				Poster Discussion	Poster Discussion		Poster Discussion		Poster Discussion	European Paed. medicine regulation - any improvement?	
12:30	Presidential session										
13:30	European Oncology 2020		Special Session TBD	Special Session Imaging Sensitivity in whole body imaging	Special Session TBD	Special Session Sarcoma Retroperitoneal sarcoma	Special Session Head&Neck Management of neck nodes			Special Session CNS/elderly	Poster Session 2 14:00-17:00
14:30									Optimal treatment glioma in elderly		
14:45		Educ. Symp. Breast	Symposium TBD	Symposium Colorectal Adjuvant treatment of colon cancer	Symposium Urology What's new in renal cancer	Symposium RT Biological targeting for RT	Symposium Science Invasion and metastasis		Symposium Head&Neck Biology-driven treatment selection in H & N	Special session ESOP session	
16:45	Integrating progn/ predictive factors in daily clinical practice										
17:00	Award	Debate		Poster Discussion	Poster Discussion	Poster Discussion	Poster Discussion				
18:00	Pezcoller - FECS Award	TBD									

**ESOP
Session
24th Sept.07**
